

# Help Raise Awareness for Autism.

**Autism now affects 1 in 68 children and 1 in 42 boys nationwide, according to the CDC...** and those

figures are growing. More children will be diagnosed with autism this year than with AIDS, diabetes & cancer combined, and it is the fastest-growing serious developmental disability in the United States.

Please join Jackson Lewis and our co-sponsors, Esquire Deposition and Magna Legal Services, for a 3 on 3 Basketball Tournament as we raise money for this worthy cause. **We hope you can join us!**

All proceeds will benefit the Center for Autism and Autism NJ.

The Center for Autism is the oldest specialized autism treatment center in the nation. Autism New Jersey is the largest statewide network of parents and professionals dedicated to improving the lives of people with autism and their families. For more information on Center for Autism, please click here ([www.thecenterforautism.org](http://www.thecenterforautism.org)) and for Autism NJ, please click here ([www.autismnj.org](http://www.autismnj.org)). **Entry fee: \$100 per team of 3 – 5 people.**
